### Newsletter February 2022

Dear Parents and Carers,

I do believe the nights are staying lighter for longer which gives us hope that Spring will soon be on its way. Continue to wrap up warm on these crisp mornings.

#### Reminders

When travelling by car to drop off can you be mindful of not parking on the yellow lines which can obstruct peoples view when stepping out. Do not use the gate area as a turning circle as parents and children leave by this area. Keep your children close to you and use the crossing patrol if you need to cross the road.

#### Coronavirus guidelines

We have seen Covid slowly creeping into the nursery amongst staff and children. I do need you to inform me if your child tests positive as I must report it and I will inform you of any cases in the nursery. Children and staff will have to isolate if testing positive until they have two negative results.

#### Fees

Please ensure all fees are paid in full by the date on your invoice.

#### Clothing

As we continue to access the outdoors regularly and the weather is very cold, ALL children will require warm clothing, a coat hat and ideally mittens as opposed to gloves. If children are arriving in wellies, then they will need a change of footwear for indoors.

#### Fundraising

Please support the nursery by signing up to the easy fundraising app. For every new sign up the nursery gets a £5 donation.

#### Stay and play

Parents will be invited into nursery in small groups to chat again to their child's key person about the progress their child is making. We will aim to do this after half term.

#### Borrowed clothing

Can you please ensure any clothes borrowed from nursery are returned asap so our stocks don't run low?

#### Paper

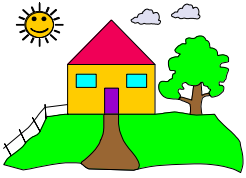

We are still in desperate need of any paper which can be used by the children for mark making. If you have any old Christmas cards that we could make use of then any donations will be greatly received.
