Newsletter June 2024

Dear Parents and Carers,

I do hope you have all had a wonderful half term break so far and have managed to get out and about. We would love to see photographs of anything you have been up to if you wish to share them on Tapestry.

Nursery and wrap around return on Monday 3rd June

We re-open after the half term break ready for a busy second half of the term.

Photographs

You should have received a link by email or phone to order your child's photographs. Order them soon so they can be delivered to the nursery.

Ofsted report

I'm pleased to say we have received a copy of our recent Ofsted report which should be published on the Ofsted website at the end of this week. I will email you all a copy once it has been published.

School inductions

You may have already received an email or letter detailing induction sessions for your child at their chosen school. If you could let me know when these are I would be very grateful.

Sun cream

Please ensure your child is wearing Sun cream before they enter nursery. If your child has allergies, then please provide their own Sun cream. In all cases of your own Sun cream being brought into nursery, ensure it is clearly labelled with your child's name and handed to a staff member.

Holiday club booking forms

If you wish to book your child into the holiday club, then please ensure I receive your form by Friday 21st June.

Funded sessions for September

For children returning in September or new families joining us, can you please ensure you apply for your eligibility codes whether your child will be in receipt of the working parent two year entitlement or the 3-4 year 30 hour entitlements. All codes need to be applied for before August and you must ensure I have these codes along with your national insurance number as soon as you get them.
