### Time to Talk.

This month's focus is 'slowing down'. Children learn language in everyday moments and routines. Nappy changes, bath time, meal time...these are all so routine, yet some of the best times to *slow down* and talk to your child. *These are the moments they are learning the most.* Make sure to try to slow down when you can and really *talk* to your little one during those routines that you often don't even think about.

Please take a look at the link below: There is a families section to click on for further help and advice in supporting your child's speech, language and communication.

### Alcester Street Market

This year's theme is Super Heroes and Super Villains, and will take place on Sunday 11<sup>th</sup> June. More details to follow nearer the time as to where our stall will be. We will be holding a raffle for hampers, so we will be holding our own fancy dress in nursery from 5<sup>th</sup> - 9<sup>th</sup> June, and we would like your child to bring in quality goods to make up hampers. Thanking you all in advance for your kind

donations.
